Stanford

Jane P. Kim

Clinical Associate Professor, Psychiatry and Behavioral Sciences

Bio

BIO

Jane Paik Kim, Ph.D, is a Clinical Associate Professor at Stanford University School of Medicine in the Department of Psychiatry and Behavioral Sciences. Her research focuses on empirical approaches to address critical ethical questions and challenges that are interlinked with emerging clinical innovation opportunities (e.g., integration of innovative technologies in healthcare settings) and public health needs (e.g., development of precision medicine interventions). Another focus of her work is the integration of statistical learning approaches for behavioral interventions delivered via digital platforms.

With colleagues, Dr. Kim leads an NIH-funded project to understand ethical implications of incorporating ML/AI technology within clinical practice. She also currently serves as a Co-Investigator in a range of NIH-funded interdisciplinary projects in behavioral health and psychiatry.

ACADEMIC APPOINTMENTS

- Clinical Associate Professor, Psychiatry and Behavioral Sciences

HONORS AND AWARDS

- R01, Stakeholder guidance to address ethical challenges in applications of AI in medicine, National Institutes of Health (2020-2024)
- Learning Health Innovation Pilot Grant, Stanford Center for Clinical and Translational Education and Research (2017)
- Small Grant Award, Department of Psychiatry and Behavioral Sciences (2016)

BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Editorial Board Member, Ethics and Behavior (2019 - present)
- Editorial Advisor, Academic Psychiatry (2014 - 2018)
- Member, American Statistical Association (2009 - present)

PROFESSIONAL EDUCATION

- Ph.D., Columbia University , Statistics (2009)
- A.M., Harvard University , Statistics (2005)
- B.A., Columbia University (2004)

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

Dr. Kim's research focuses on applying statistical approaches to evaluate and improve digital interventions, and using empirical approaches to understand ethical considerations for AI applications in healthcare.

PROJECTS

- Stakeholder guidance to anticipate and address ethical challenges in applications of machine learning and artificial intelligence in algorithmic medicine - Stanford University

Teaching

COURSES

2026-27

- Methodology of Research in Behavioral Sciences: PSYC 250 (Aut)

2025-26

- Methodology of Research in Behavioral Sciences: PSYC 250 (Aut)

2024-25

- Methodology of Research in Behavioral Sciences: PSYC 250 (Aut)

2023-24

- Methodology of Research in Behavioral Sciences: PSYC 250 (Aut)
