Stanford

Shaghayegh Fazliani

Ph.D. Student in Mathematics, admitted Autumn 2021

Bio

BIO

Shaghayegh, my first name, means red poppy in Persian. Here in the US, I go with 'Shay' as a nickname since Shaghayegh might be hard to pronounce! I graduated with a bachelor's degree in mathematics from Sharif University of Technology, focusing on pure mathematics. As of September 2021, I'll be a mathematics graduate student at Stanford University.

HONORS AND AWARDS

- Maryam Mirzakhani Graduate Fellowship, Stanford University (2021)
- EDGE Doctoral Fellowship, Stanford University (2021)

PERSONAL INTERESTS

Drawing

Persian Poetry
