Emily Scarpulla Raymond

Bio

BIO

Dr. Emily Scarpulla Raymond, PhD is a pediatric psychology fellow at Stanford University. She received her PhD at the University of Maine, Orono in clinical psychology in 2024 and received her bachelor's degree in psychology at the University of Rochester in 2018. Emily has conducted research focusing on adolescent psychosocial behavior and outcomes with a particular emphasis on the role of social media in adolescent friendships. As a clinician, Emily works with children and adolescents with comorbid medical and psychological conditions in several medical clinics through Lucile Packard Children's Hospital Stanford.
