Stanford

Marissa Ledesma

Student Services Officer, Aeronautics and Astronautics

Bio

BIO

Marissa Ledesma is a Student Services Officer in the Aeronautics and Astronautics department at Stanford University, where she is committed to fostering the development of future leaders in aerospace engineering. With a strong commitment to student success, Marissa facilitates a comprehensive range of academic and administrative services designed to enhance the educational experience for graduate students. In her role, she oversees the Master's and Doctoral admissions processes, coordinates orientation programs, provides academic advising, and manages resource allocation to ensure that students receive the necessary support to thrive in their academic pursuits and research endeavors.

With a diverse background in higher education, Marissa is attuned to the unique challenges faced by students in demanding academic programs. She strives to empower them to excel academically while also encouraging engagement in extracurricular activities that enrich their overall university experience.

CURRENT ROLE AT STANFORD
