Stanford

Andrius KAZUKAUSKAS

Fellow, Center for Advanced Study in the Behavioral Sciences

Bio

BIO

Kažukauskas is an applied economist whose research examines how households respond to prices, information, and policy interventions in energy and environmental settings. His recent work focuses on residential electricity use and responses to behavioral interventions. Kažukauskas primarily uses randomized field and laboratory experiments.

Kažukauskas is professor of economics at Vilnius University and a researcher at Södertörn University. He holds a PhD from Trinity College Dublin. Kažukauskas is the Riksbanken Jubileumsfond-CASBS Fellow for 2026-27.

More about his work can be found at: https://sites.google.com/view/kazukauskas
