Rose Schlageter

Visiting Researcher Student, GR Visiting Researcher

Bio

BIO

Rose Schlageter is a Visiting Student Researcher at the Stanford Center on China's Economy and Institutions (2026-27). She is an MSc student in Management Science and Engineering with a minor in Energy at EPFL in Switzerland, where she also earned her BSc in Environmental Sciences and Engineering. Her research interests lie in the field of energy economics and policy. She is currently conducting her Master's thesis at Stanford, where she studies the impact of tariffs on Chinese EV imports and EV adoption globally. Previously, she gained technical experience through several internships at energy companies in Switzerland.
