Berthold and Belle N. Guggenhime Professor, Emeritus

Medicine - Med/Pulmonary, Allergy & Critical Care Medicine

Bio

ACADEMIC APPOINTMENTS

- Emeritus Faculty-Med Ctr Line, Medicine - Med/Pulmonary, Allergy & Critical Care Medicine

ADMINISTRATIVE APPOINTMENTS

- Chief Medical Officer, Stanford Health Care, (2011-2020)
- Sr. Assoc. Dean for Clinical Affairs, Stanford University School of Medicine, (2001-2020)
- Medical Director, Intensive Care Units, Stanford University Medical Center, (1997-2020)
- Program Director, Fellowship in Critical Care Medicine, Stanford University Medical Center, (1995-2016)

HONORS AND AWARDS

- Russel V. Lee Award for Clinical Teaching, Department of Medicine, Stanford University Medical Center (1985, 86, 88, 89, 90, 91)
- Kaiser Award for Clinical Teaching, Stanford University Medical Center (1989)
- David A. Rytand Award for Clinical Teaching, Department of Medicine, Stanford University Medical Center (1993)
- Arthur Bloomfield Award for Clinical Excellence, Department of Medicine, Stanford University Medical Center (1994)
- The Authur Bloomfield Award for Clinical Teaching, Stanford University School of Medicine (1994)
- Division Award for Exceptional Contributions to Education in the Division of PCCM, Department of Medicine, Stanford University School of Medicine (2004)
- Denise O'Leary Award for Clinical Excellence, Department of Medicine, Stanford University Medical Center (2007)

PROFESSIONAL EDUCATION

- M.D., Yale University , Medicine (1976)
- B.A., Harvard College , cum laude in general studies (1972)

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

I am interested in the prevention and control of critical care-related illnesses and complications, including ventilator-associated pneumonia, spread of nosocomial infections, and prognosis of multiple organ system failure in intensive care units. Infections and complications of therapy in immunocompromised hosts, including effects of chemotherapy and hematopoetic stem cell transplants is another interest.
