Bio

BIO

Dr. Schroeder is the associate chief for research in the division of pediatric hospital medicine at Lucile Packard Children's Hospital Stanford, and a clinical professor in the division of hospital medicine and the division of critical care. His research interests focus on identifying areas where we can "safely do less" in healthcare, striving to ensure that children get the healthcare that they need while avoiding excessive tests and treatments that only cause harm. Dr. Schroeder is currently involved in multiple projects involving common conditions and interventions in pediatrics. He serves as the Stanford PI for PEDSNet and is an Associate Editor for the journal Hospital Pediatrics. At Stanford he co-leads the residency clinical research scholarly concentration and the faculty Clinical Research Peer Scholarship Community. Dr. Schroeder provides clinical care for children in the PICU and the pediatric ward.

CLINICAL FOCUS

- Pediatric Critical Care Medicine
- Pediatric hospital medicine

ACADEMIC APPOINTMENTS

- Clinical Professor, Pediatrics
- Clinical Professor, Emergency Medicine
- Member, Maternal & Child Health Research Institute (MCHRI)

PROFESSIONAL EDUCATION

- Board Certification: Pediatrics, American Board of Pediatrics (2026)
- Board Certification: Pediatric Critical Care Medicine, American Board of Pediatrics (2026)
- BA, Stanford University , Human Biology (1993)
- Medical Education: Georgetown University Hospital (1998) DC
- Residency: Lucile Packard Children's Hospital (2001) CA

- Fellowship, University of California, San Francisco (2004)
- Fellowship: Lucile Packard Children's Hospital (2007) CA

Research & Scholarship

CLINICAL TRIALS

- Eliminating Monitor Overuse Trial (EMO Trial), Recruiting
