Bio

BIO

Dr. Church graduated summa cum laude from Northwestern University with degrees in psychology and music composition. He earned his medical doctorate at the University of Pennsylvania where he was a Twenty-first Century Scholar. He completed his neurological surgery residency at Penn State where he also completed a neuroendovascular fellowship in 2016. He was neurosurgery registrar at Sir Charles Gairdner Hospital in Perth, Australia 2016-17 and chief resident at Penn State 2017-18. He is currently cerebrovascular neurosurgery fellow at Stanford Medicine. His clinical and research interests include cerebrovascular and endovascular neurosurgery, evidence based medicine, and medical ethics. He has numerous publications and awards including Phi Beta Kappa 2003 and Alpha Omega Alpha 2013.
