

Stanford

Hermann Schmidt

Postdoctoral Research Fellow, Biochemistry

Bio

PROFESSIONAL EDUCATION

- Dr. rer. nat, Georg-August-Universität Göttingen , Molecular Biology, Biochemistry (2012)
- Bachelor of Science, Ruprecht Karl Universität Heidelberg (2007)

Publications

PUBLICATIONS

- **In Vivo Formation of Vacuolated Multi-phase Compartments Lacking Membranes.** *Cell reports*
Schmidt, H. B., Rohatgi, R.
2016; 16 (5): 1228-1236
- **Nup98 FG domains from diverse species spontaneously phase-separate into particles with nuclear pore-like permselectivity** *ELIFE*
Schmidt, H. B., Goerlich, D.
2015; 4
