Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

1. Use of an administrative database (UNOS) to study lung transplant outcomes.
2. Expression of the plasminogen activator inhibitor (PAI) 1 antibody in peripheral blood after lung transplantation and its association with bronchiolitis obliterans syndrome (chronic rejection).
3. Impact of airway hypoxia, due to lack of bronchial circulation, on long-term lung transplant outcomes.
4. CMV specific T-cell immunity in lung transplant recipients and its impact on acute rejection.

Publications

PUBLICATIONS

- **Multiple Listing in Lung Transplant Candidates: A Cohort Study.** *American journal of transplantation : official journal of the American Society of Transplantation and the American Society of Transplant Surgeons*
Mooney, J. J., Yang, L., Hedlin, H., Mohabir, P., Dhillon, G. S.
2018
- **Effect of broader geographic sharing of donor lungs on lung transplant waitlist outcomes.** *The Journal of heart and lung transplantation : the official publication of the International Society for Heart Transplantation*
Mooney, J. J., Bhattacharya, J., Dhillon, G. S.
2018
- **Racial and ethnic disparities in lung transplant listing and waitlist outcomes.** *The Journal of heart and lung transplantation : the official publication of the International Society for Heart Transplantation*
Mooney, J. J., Hedlin, H., Mohabir, P., Bhattacharya, J., Dhillon, G. S.
2017
- **Effect of Transplant Center Volume on Cost and Readmissions in Medicare Lung Transplant Recipients.** *Annals of the American Thoracic Society*
Mooney, J. J., Weill, D., Boyd, J. H., Nicolls, M. R., Bhattacharya, J., Dhillon, G. S.
2016; 13 (7): 1034-1041
- **Lung Quality and Utilization in Controlled Donation After Circulatory Determination of Death Within the United States** *AMERICAN JOURNAL OF TRANSPLANTATION*
Mooney, J. J., Hedlin, H., Mohabir, P. K., Vazquez, R., Nguyen, J., Ha, R., Chiu, P., Patel, K., Zamora, M. R., Weill, D., Nicolls, M. R., Dhillon, G. S.
2016; 16 (4): 1207-1215
