John R Peck

Spring CSP Instructor
Continuing Studies and Summer Session

Bio

BIO

John Peck teaches portrait and figure drawing for Stanford Continuing Studies.

His paintings and drawings can be seen in private collections and galleries in London, Florence, Dublin, and Santa Fe. He graduated from the Florence Academy of Art and received an MArch from the University of New Mexico, where he was an instructor in the School of Architecture and Planning. He is the co-author of "Drawing in Space: A Manual for Figurative Sculpture."

His work can be viewed at www.johnpeck.com
