

Kin Min Yuen

Clinical Associate Professor, Psychiatry and Behavioral Sciences - Sleep Medicine

Bio

BIO

Dr. Kin Yuen is a board-certified physician in sleep medicine, and is a fellow of the American Academy of Sleep Medicine. She is an associate physician diplomate at University of California at San Francisco, and adjunct faculty member at Stanford University School of Medicine, Department of Psychiatry and Behavioral Services. Before her fellowship in Sleep Medicine, she practiced internal medicine at the Stanford Medical Group. She then spent two years in clinical sleep medicine research at the Stanford Sleep Disorders Center concurrent with acquiring her Masters of Science degree from Stanford University in Health Policy/Health Services Research. She was a current member of Public Safety Committee of the American Academy of Sleep Medicine.

She is also an advisory member to the Continuing Medical Education Committee of School of Sleep Medicine in Palo Alto. Dr. Yuen has been a principal investigator in clinical research of cardiac arrhythmia, medical devices, and has co-authored articles in health economic evaluations, women and sleep disorders.
