

Klaus Porzig

Emeritus Adjunct Clinical Professor, Medicine - Oncology

Bio

BIO

Klaus Porzig is an Emeritus Adjunct Clinical Professor at Stanford. He was active in Stanford's clinical oncology program from 1979 until 2008. He was an Attending Physician on the Oncology inpatient service (MED III initially and then MED X) annually from 1979 until retirement in 2008. He was active in the breast cancer program during those decades. Dr. Porzig was a founding partner in South Bay Oncology in 1979 which became part of the Stanford Cancer Center in the Southbay after his retirement. He was a member of the council of the California Breast Cancer Research Program from 2006-2010 and served as the Chair of the CBCRP council 2008-2009. From 2013 to 2021, he was a member of the Stanford Medicine Alumni Association Board of Governors and served as chair of the Awards Committee during that time. Klaus has been a docent at Stanford's Jasper Ridge Biological Preserve since 2018.
