#### BIO

Dr. Joseph Becker is an Associate Professor of Emergency Medicine at Stanford University School of Medicine. He received his Doctorate of Medicine from the University of California, San Francisco in 2003. Subsequent to this, Dr. Becker completed an internship in Aerospace Medicine at the National Aeronautics and Space Administration (NASA) before completing specialty training in Emergency Medicine at Yale University. In 2010 Dr Becker completed a fellowship in Global Emergency Medicine at Stanford University School of Medicine. Dr. Becker has served as Laboratory Officer and Associate Research Scientist at the Mailman School of Public Health at Columbia University and holds the title of Senior Lecturer and Visiting Associate Professor at the University of Rwanda where he has worked consistently for nearly twenty years assisting in the creation and development of the Emergency and Critical Care Residency program. He currently holds the title of Head of Department and Curriculum for Emergency Medicine for the University of Global Health Equity (UGHE) also in Rwanda. Dr. Becker is a Lieutenant Colonel in the United States Air Force/California Air National Guard and currently serves as an Aerospace and Operational Medicine specialist/Flight Surgeon with the 129th Rescue Wing in Mountain View, California.
