Professional Overview

BIO

Dr. Postolova is board certified in internal medicine, allergy/immunology, and rheumatology. She cares for patients of all ages with compromised immune systems or allergic conditions including eczema, hives, angioedema, food and drug allergy, allergic rhinitis, asthma, and chronic rhinosinusitis.

She has authored papers and spoken on care for patients with an overlap of autoimmunity and immunodeficiency and conditions like lupus, rheumatoid arthritis, myositis, vasculitis, granulomatous mastitis, and osteoarthritis.

As a native Russian speaker, Dr. Postolova is sensitive to the cultural differences of patients and their families.
