Professional Overview

BIO

Dr. Peng is a board-certified specialist in sports medicine and family medicine. He provides care for athletes of all ages and enjoys helping everyday patients achieve and sustain a healthy, active lifestyle. His expertise includes orthobiologics, such as platelet-rich plasma, and ultrasound-guided minimally invasive techniques to treat osteoarthritis, tendinopathies, and other musculoskeletal conditions.

Outside of work, Dr. Peng enjoys reading, exercising, cooking, spending time with his wife, and creating fun mischief with his daughter and son. He is also fluent in Mandarin.
