## Francesca Alejandro

### Professional Overview

---

#### BIO

Francesca Alejandro, NP was born and raised in the San Francisco Bay Area and has resided here for most of her life. She attended San Jose State University, where she obtained her Bachelors in Public Health and minor in Child Development. Seeking to further her education, she attended Western University of Health Sciences and obtained her Masters in Ambulatory Nursing and Family Nurse Practitioner degrees.

Francesca Alejandro, NP started working at Stanford in 2008, at the time as an Operating Room assistant, and was fortunate to come back once she completed her training as a Nurse Practitioner. Francesca enjoys collegiality of the Academic setting and has a passion for Medicine, specifically Orthopedics. She enjoys spending time with her patients and educating them on how to manage their conditions and improve their health. In her spare time she enjoys traveling, medical missions, cooking, spending time with family, and watching football.
