Bio

BIO
Dr. Teuteberg completed residency training in Internal Medicine at the University of Chicago and a Palliative Medicine Fellowship at Massachusetts General Hospital. She is board-certified in Hospice and Palliative Medicine, Internal Medicine and Clinical Informatics. She joined the faculty at Stanford in 2017 after working at University of Pittsburgh Medical Center for 13 years. She currently sees palliative care patients in the inpatient setting and also provides palliative care to patients with heart and lung disease in clinic.

In addition, she is the medical informatics director for the Division of Primary Care and Population Health.
