John Kent Lin
Postdoctoral Research Fellow, Primary Care and Outcomes Research

Bio

John Lin is an Internal Medicine physician and VA Health Services Research and Development Fellow. His research interests include evaluating the value of novel and high-cost therapeutics, risk-adjustment modeling, and end-of-life care in chronic disease.

John received an AB from Harvard University (2008) in Economics and Healthcare Policy, an MD from Baylor College of Medicine (2014), and completed his Internal Medicine residency at the University of California San Francisco (2017).
