## Shiqin Xu

Senior Program Manager, HEART Lab, Medicine - Med/Cardiovascular Medicine

### Bio

---

#### BIO

Shiqin Xu, MPA, MSc currently serves as the Senior Program Manager at HEART Lab within Cardiovascular Medicine. In this role, she oversees the development and management of the lab's research project portfolio. With a background in clinical informatics, health tech innovation, and interdisciplinary collaboration, Shiqin applies her expertise to bridge technology and healthcare. Leveraging her public policy insights, she is dedicated to collaborating with community partners to address disparities and care gaps in cardiovascular health, thereby advancing health equity. Shiqin holds a Master's in Public Administration from NC State University and a Master's in Clinical Informatics Management from Stanford University.

Before joining the HEART Lab, Shiqin worked for the Stanford Biodesign Center. There, she was involved in health tech innovation education and fostering global collaboration.

#### CURRENT ROLE AT STANFORD

Senior Program Manager, HEART Lab

#### EDUCATION AND CERTIFICATIONS

- Clinical Ops Cert, Stanford Center for Clinical and Translational Research & Education , Stanford Clinical Research Operations Certification (2024)
- MSc, Stanford University , Clinical Informatics Management (2023)
- IDEAL Pedagogy Certificate, Stanford Center for Teaching and Learning (2021)
- CPTD, the Association for Talent Development Certification Institute , Certified Professional in Talent Development (2017)
- MPA, NC State University (2009)
- BA, China University of Political Science and Law (2003)
