Publications

• Motion-robust reconstruction of multishot diffusion-weighted images without phase estimation through locally low-rank regularization. *Magnetic Resonance in Medicine*  
  2019; 81 (2): 1181–90

• Multi-shot diffusion-weighted MRI reconstruction with magnitude-based spatial-angular locally low-rank regularization (SPA-LLR). *Magnetic Resonance in Medicine*  
  2019

• Motion-robust reconstruction of multishot diffusion-weighted images without phase estimation through locally low-rank regularization. *Magnetic Resonance in Medicine*  
  2018
