Bio

BIO

Dr. Greenberg provides direct psychological care to patients in the ADAPT (Adult Depression and Anxiety Psychological Treatment) & Dual Diagnosis clinics. He is passionate about delivering evidence-based psychotherapies that are responsive and personal. He conducts individual as well as group therapy.

He teaches a psychotherapy didactic to the Addiction Medicine fellows as well as provides clinical supervision to post-doctoral fellows, doctoral students, and psychiatry residents. He is committed to helping trainees learn & work through complex situations that arise in individual & group psychotherapy.
