

Rebecca Dang

Instructor, Pediatrics

CLINICAL OFFICE (PRIMARY)

- **Lucile Packard Childrens Hospital**

725 Welch Rd

MC 5776

Palo Alto, CA 94304

Tel (650) 736-4423 **Fax** (650) 736-6690

Bio

BIO

Dr. Rebecca Dang is an Instructor in the Division of General Pediatrics at Stanford University. She earned her medical degree at Georgetown School of Medicine and completed her pediatric residency at Kaiser Permanente Northern California. She also completed pediatric hospital medicine fellowship and a master's program in clinical research and epidemiology at Stanford University. Dr. Dang provides clinical care for children on the pediatric ward and newborn nursery.

Dr. Dang's research interest focuses on high-value pediatric care, which she hopes to improve through building evidence for common, understudied practices. Common practices that are ubiquitous throughout pediatric medicine are temperature measurement and management. Despite temperature measurement and the subsequent detection of 'normal' or 'abnormal' values driving clinical decision making, these temperature thresholds may be outdated or poorly defined. Dr. Dang has led many projects on temperature-related topics, including routine temperature measurement at well-child visits, pediatric temperature percentiles, risk factors for and outcomes of neonatal hypothermia in the newborn nursery, and newborn temperature norms. This work has led to first-author publications in the high-impact journals of Academic Pediatrics, Pediatrics, Journal of Pediatrics, JAMA Network Open, and Hospital Pediatrics. She has secured continual institutional and foundation funding, including a Maternal & Child Health Research Institute clinical trainee award and master's tuition program, Gerber Foundation main and novice research award, the Department of Pediatrics' Bridge-to-K Program, and the PEDSnet Scholars Program.

CLINICAL FOCUS

- Pediatric Hospital Medicine

ACADEMIC APPOINTMENTS

- Instructor, Pediatrics
- Member, Maternal & Child Health Research Institute (MCHRI)

PROFESSIONAL EDUCATION

- Board Certification: Pediatric Hospital Medicine, American Board of Pediatrics (2022)
- Board Certification, American Board of Pediatrics , Pediatric Hospital Medicine (2022)
- Masters of Science, Stanford University , Clinical Research and Epidemiology (2021)
- Fellowship: Stanford Pediatric Hospital Medicine Fellowship (2020) CA
- Board Certification: Pediatrics, American Board of Pediatrics (2018)
- Residency: Kaiser Permanente Oakland Pediatric Residency (2018) CA
- Medical Education: Georgetown University School of Medicine (2015) DC
