Bio

BIO

Jennifer H. Pien is a Clinical Associate Professor through the Department of Psychiatry at Stanford University. She is the Director of The Pegasus Physician Writers, Founder of The Pegasus Review, and is a founding faculty editor for the Oxford Review of Books x Stanford collaboration. She also serves on the Advisory Board for The Bellevue Literary Press and the Stanford School of Medicine Medical Humanities Fellowship. Jennifer is represented by Amy Collins of Talcott Notch. She is the author of *Healing the Healers*, Johns Hopkins University Press, forthcoming 2025 and is the Co-Founder of Hesperides Literary Agency.

In addition to her work in Medical Humanities, her interests include advocacy for adults with developmental disabilities where she cofounded Puente Clinic through the San Mateo County Medical System, an innovative dev. disabilities subspecialty clinic. She serves on the Regional Advisory Committee to the California State Council on Developmental Disabilities. Currently, her clinical focus is on physician well-being through the WellConnect team.
