### Bio

---

#### BIO

Amrapali Maitra is a clinician, educator, and scholar with training from Harvard and Stanford as well as a Paul and Daisy Soros Fellow for New Americans (2013). Her clinical practice emphasizes humanism and attention to health equity through structural competency. As an educator, she is committed to diversity and inclusion in the learning environment for pre-medical, medical, and graduate medical trainees, as well as centering patients as teachers. Her scholarship focuses on intimate partner violence, trauma-informed care, medical education, and the humanities.
