

## Mandeep Kapur, MD

Adjunct Clinical Assistant Professor, Psychiatry and Behavioral Sciences -  
Child & Adolescent Psychiatry and Child Development

---

### Bio

#### BIO

Dr. Kapur is a double board-certified psychiatrist. After completing her General Psychiatry residency at Tulane University, she moved back to California for her Child & Adolescent Psychiatry fellowship at Stanford University. With this specialized training, Dr. Kapur has expertise in ADHD, anxiety, depression, behavioral challenges, parent-child relational problems, among other mental health problems.

Dr. Kapur provides compassionate, evidence-based care for children, teens, young adults, and their families. She is committed to providing personalized treatment plans designed to meet each patient's unique needs and goals using a holistic, patient-centered approach to ensure the best possible outcomes.
