

## Luciana Giambarberi, MD

Clinical Associate Professor, Psychiatry and Behavioral Sciences

### Bio

---

#### BIO

Dr. Giambarberi is a double-board-certified physician who completed her general psychiatry training at Wake Forest University School of Medicine (2018) and her Behavioral Neurology and Neuropsychiatry (BNNP) training at Stanford University School of Medicine (2019). Her past experience includes leading, creating, expanding, and providing neuropsychiatry education and services to communities of North Carolina and other areas of the southeast region.

As a clinical associate professor in the Department of Psychiatry at Stanford, Dr. Giambarberi supervises trainees in the Neuropsychiatry Section and the Individual Psychotherapy Clinic. Dr. Giambarberi is the director of BNNP didactics, as well as neurology core rotations and elective rotations within the neuropsychiatry section.

Dr. Giambarberi has extensive experience with a diverse patient population. Her current clinical and research interests include education, epilepsy, and functional neurological disorders.
