Bio

BIO

Dr. Lyn serves as a Clinical Assistant Professor within the Division of Pulmonary, Allergy, and Critical Care at Stanford University. Specializing in the comprehensive management of pulmonary hypertension, she completed her fellowship in pulmonary and critical care medicine at Stanford in 2021. She furthered her expertise as the 2021-22 Vera Moulton Wall Center eBay Fellow in Pulmonary Vascular Disease.

Today, Dr. Lyn is a member of the Stanford Health Care Adult Pulmonary Hypertension team, serving as a clinician educator and Assistant Director of the Stanford CTEPH program. Her clinical and research interests focus on CTEPH, post-acute PE care and advancing health equity within pulmonary vascular diseases.
