Bio

BIO

Dr. Rodbumrung completed his undergraduate degree at The University of Texas at Austin and MD at The University of Texas Medical Branch in Galveston, Texas. After completing medical school he went on to train at Stanford University Hospital, completing internship and residency in Anesthesiology where he continues to practice today as faculty. As a clinical educator, Dr. Rodbumrung is deeply committed to teaching and patient care. His clinical areas of focus include the adult Multi-Specialty Division and Head and Neck Anesthesia often caring for patients with complex head and neck pathologies utilizing the latest techniques in airway management. He also serves as the Surgery Anesthesia Rotation Director, working with surgery interns and residents learning anesthesia and airway management during their training.
