

## Oyindamola Ikepo Ogunlaja

Clinical Assistant Professor, Adult Neurology

### CLINICAL OFFICE (PRIMARY)

- **Stanford Neuroscience Health Center**

213 Quarry Rd

MC 5957 FI 2

Palo Alto, CA 94304

**Tel** (650) 723-6469      **Fax** (650) 725-0390

### Bio

---

#### BIO

Dr. Ogunlaja is a board-certified, fellowship-trained neurologist. She provides patient care in the Stanford Headache Clinic. She is an assistant professor in the Department of Neurology, Headache Division.

Her specialized skills include Botox therapy for chronic migraine, trigger point injection procedures, and occipital nerve blocks.

Her prior experience includes serving as a consultant neurologist at King's College Hospital in London.

Dr. Ogunlaja was a clinical research fellow in the Headache Group at King's College. She was a physician member of the Dementia Consensus Panel of the Health and Aging in Africa Study.

She also conducted research at the Unit of Health-Care Epidemiology in the University of Oxford's Department of Public Health. She investigated the epidemiology of patients hospitalized for sickle cell disease in England.

Dr. Ogunlaja has published in peer-reviewed journals including *Headache* and *Current Pain and Headache Reports*. She has presented her research findings to her peers at the International Headache Conference.

She is a member of the American Headache Society.
