Bio

BIO

I am a PhD Candidate in Economics at Stanford University, specializing in development economics and econometrics, with primary fieldwork in Côte d'Ivoire. My research focuses on market infrastructure, retailer cooperation, and entrepreneurship support programs in West Africa.

Before starting my PhD, I worked as a Research Manager for Prof. Pascaline Dupas and Prof. Marcel Fafchamps on the AUDRI Project. In 2018, I graduated from Master in Economics at ENSAE and Polytechnique, Paris, France.
