

Stanford

Miranda Peters, PA-C

Professional Overview

BIO

Miranda Peters, PA-C, is an advanced practice provider who specializes in vascular surgery. She completed her APP degree of Master of Sciences in Health Sciences, Physician Assistant Studies, at the George Washington University in Washington, DC. Prior to starting with the vascular surgery team at Stanford Valleycare in 2022, she worked in general surgery with Kaiser Permanente as well as in cardiac surgery with Stanford Healthcare. Before relocating to California, she worked in critical care at the George Washington University Hospital where she served as the Lead APP and helped to found their Trauma and Critical Care APP Fellowship program.
