

Stanford

Sheri Loo

Professional Overview

BIO

Sheri joined the Stanford Neurosurgery team as a nurse practitioner in 2018. Her current clinical focus is in brain and spine tumors and complex spinal deformities in the inpatient and outpatient setting. Prior to becoming an NP, she worked as a Registered Nurse specializing in neuro-stroke. She is a member of California Association of Nurse Practitioners, American Association of Nurse Practitioners, American Association of Neuroscience Nurses, and Sigma Theta Tau. In her free time, Sheri enjoys volunteering at a local primary care free clinic, going on medical missions trips, and mentoring and precepting students.
