

Aileen Xinqian Wang

Clinical Assistant Professor, Medicine - Nephrology

Bio

BIO

Philosophy of Care: dedicated to clear communication and teamwork approach to provide the best care possible to all patients.

Clinical Interests: focus on individualized evaluation/tailoring of clinical immunosuppression, management of mineral bone disease post kidney transplant, and the prevention/treatment of COVID-19 in kidney transplant recipients.

Research/Academic Interests: focus on optimization of immunosuppression regimen, mineral bone disease in kidney transplant recipients, delayed graft function outcomes, and COVID-19 infection in kidney transplant recipients.

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Medicine - Nephrology

PROFESSIONAL EDUCATION

- Fellowship, Stanford University School of Medicine , Transplant Nephrology (2020)
- Fellowship, Indiana University School of Medicine , Nephrology (2019)
- Board Certification, American Board of Internal Medicine, Nephrology (2021)
- Board Certification, American Board of Internal Medicine, Internal Medicine (2018)
- Residency, Indiana University School of Medicine , Internal Medicine (2017)
- Doctor of Medicine, Eastern Virginia Medical School (2014)
