

Micky Sharif

Senior Learning Experience Designer, Teaching and Learning Hub

Bio

BIO

Micky Sharif is a Senior Learning Experience Designer at the Stanford Graduate School of Business, where he leads the design and development of innovative programs. His work brings together faculty, product, technology, and media teams to create transformative educational experiences.

Micky writes and speaks on topics including behavior change, artificial intelligence, and the design of powerful learning environments. Before joining Stanford GSB, he participated in the Stanford LEAD program, worked in instructional design at the University of California, San Francisco, and served as a learning design consultant at the University of California, Los Angeles.

He holds a bachelor's degree in Education and Technology from UC Berkeley, a master's degree in Instructional Technologies, Learning, and Design from San Francisco State University, and Stanford's LEAD and Executive Leadership certificates.
