

India Bahia Rogers-Shepp

- Affiliate, Department Funds
- Resident in Obstetrics & Gynecology
- 📄 Curriculum Vitae available Online

Bio

BIO

India Rogers-Shepp is originally from New York City. She graduated from Princeton University with her BA in molecular biology in 2018 and a certificate in Dance. The following year she graduate from Brown University with a Master's in Science in Medical Sciences in 2019. She entered Stanford Medical School in 2020. During her time here, she has pursued her passions for women's health, queer health, equity for the unhoused, and environmental justice. India's future career goal is to become an OB/GYN who centers the reproductive health of the unhoused and those made most vulnerable by climate change through her clinical practice and research.
