

# Stanford

---

Katerina Kafkas, MSN,  
AGACNP-BC, AOCNP, BMTCN

## Professional Overview

---

### BIO

Katerina Kafkas is a Nurse Practitioner who specializes in Hematology Oncology and works on the Inpatient Hematology Oncology service at Stanford Hospital as a responding clinician since 2021. She completed her Master of Science in Nursing at Duke University with a concentration in Acute Care (AGACNP) and a certificate in Oncology. She holds specialty certification as an Advanced Oncology Certified Nurse Practitioner (AOCNP) through the Oncology Nursing Certification Corporation. Prior to coming to Stanford, Katerina worked as a Registered Nurse at Massachusetts General Hospital for over 8 years in Hematology Oncology and BMT/Cellular Therapies. She received her Bachelor of Science in Nursing from the University of Massachusetts Lowell.
