

Kunal Doshi

Lecturer, Graduate School of Business - Academic Administration

Bio

BIO

Kunal Doshi is currently a Partner at Accelerate Investment Group. Accelerate focuses on delivering superior risk-adjusted returns by investing in fund managers and entrepreneurs scaling technological innovations combating climate change.

Formerly Kunal worked at Capricorn Investment Group conducting diligence, evaluating investments, and providing assistance to existing portfolio companies. He acted as a Board Observer for select technology-impact venture and growth investments currently valued at ~\$3.5 billion. Some of Capricorn's past and current investments include Form Energy, Got It, Joby Aviation (NYSE: JOBY), Pagatech, Planet (NYSE: PL), Saildrone, SpaceX, Tesla Motors (NASDAQ: TSLA) and QuantumScape (NYSE:QS).

Prior to Capricorn, Kunal was an Associate at Greentech Capital Advisors, an Investment Bank acquired by Nomura, where he focused on projects in the energy and sustainability sector. He began his career as an Investment Banking Analyst within Citigroup's Mergers & Acquisitions team. During his tenure at Greentech and Citigroup, he successfully raised over \$1 billion in capital for companies and funds.

Kunal earned his Master's Degree at the Stanford Graduate School of Business and his Bachelor's Degree from the McIntire School of Commerce at The University of Virginia.
