Professional Overview

BIO

Dr. Vanni Manthiram is board certified in General Surgery. She practices a broad range of general surgery including breast, colon, gall bladder, hernia, and minimally invasive surgery.

She is also a member of several professional organizations, including the American College of Surgeons and the American Society of Breast Surgeons.

Dr. Manthiram became a surgeon because it is extremely rewarding as patients are very grateful and often feel better immediately. She also enjoys making sure her patients understand the planned procedure.

Her personal interests include watching football, hiking, fitness, and spending time with family.
