

Jessica Ann Boydston

Program Manager, Limited Submissions and Seed Grant Programs, Research Development Office

SUPERVISORS

- Kim Baeten

Bio

BIO

Jessica manages Limited Submissions and Seed Grant programs for the Stanford Research Development Office. Having served in a similar role at her previous institution for two years, she brings detailed knowledge of limited submissions opportunities. Jessica also has extensive experience in project management and executive administrative assistance and provides support to the various stakeholders of internal competitions, whether that be applicants, other administrators, or Stanford reviewers. In this role, Jessica assists the University and our faculty in advancing the most competitive proposals.

CURRENT ROLE AT STANFORD

Program Manager for Limited Submissions and VPDoR Seed Grant programs
