Lily Hsueh

Affiliate, Woods Institute

Bio

BIO

Lily Hsueh is Associate Professor of Economics and Public Policy at Arizona State University, where she is also a Senior Global Futures Scientist at the ASU Julie Ann Wrigley Global Futures Laboratory. She is an affiliate scholar at the Stanford Woods Institute for the Environment. She is the author of Corporations at Climate Crossroads: Multilevel Governance, Public Policy, and Global Climate Action (MIT Press, 2025), and numerous scholarly articles on business and public policy, environmental economics, policy, and governance, and political economy. Her work has been featured in the Financial Times, Fortune, PBS NewsHour, among other media outlets. She holds a B.A. from the University of California, Berkeley, a master's degree from University College London, and a Ph.D. from the University of Washington.
