

Kristen Shea

- Affiliate, Department Funds
- Fellow in Pediatrics - Cardiology

Bio

PROFESSIONAL EDUCATION

- BA, The Ohio State University , Chemistry (2018)
- MD, New York University Grossman School of Medicine (2022)

Publications

PUBLICATIONS

- **Author Response: Clinical Implication of Each Type of Arrhythmia in Pediatric Patients Following Heart Transplant.** *Pediatric transplantation*
Dammeyer, K. L., Hollander, S. A.
2025; 29 (7): e70173
- **Early Post-Operative Versus Late Arrhythmias After Heart Transplant at a Pediatric Center: Incidence, Management, and Outcomes.** *Pediatric transplantation*
Dammeyer, K. L., Motonaga, K. S., Chubb, H., Profita, E. L., Hollander, S. A.
2025; 29 (5): e70094
- **Synchronous disease onset and flares in siblings with PFAPA** *PEDIATRIC RHEUMATOLOGY*
Dammeyer, K. L., Schneider, A., April, M. M., Kahn, P. J.
2022; 20 (1): 87
- **Predicting postoperative complications following mastectomy in the elderly: Evidence for the 5-factor frailty index** *BREAST JOURNAL*
Dammeyer, K., Alfonso, A. R., Diep, G. K., Kantar, R. S., Berman, Z. P., Daar, D. A., Ramly, E. P., Sosin, M., Ceradini, D. J.
2021; 27 (6): 509-513
- **Keratinocyte- Macrophage Crosstalk by the Nrf2/Ccl2/EGF Signaling Axis Orchestrates Tissue Repair** *CELL REPORTS*
Villarreal-Ponce, A., Tiruneh, M., Lee, J., Guerrero-Juarez, C. F., Kuhn, J., David, J. A., Dammeyer, K., Mc Kell, R., Kwong, J., Rabbani, P. S., Nie, Q., Ceradini, D. J.
2020; 33 (8): 108417
- **Endothelial cell-induced cytoglobin expression in vascular smooth muscle cells contributes to modulation of nitric oxide** *VASCULAR PHARMACOLOGY*
Lilly, B., Dammeyer, K., Marosis, S., McCallinart, P. E., Trask, A. J., Lowe, M., Sawant, D.
2018; 110: 7-15
