

Irene Bailey

Clinical Trials Reg Spclst 2, Dermatology

Bio

BIO

Irene Bailey is a Regulatory Specialist supporting Dr. Jean Tang in the Dermatology Department. She is a trained clinical laboratory technologist from the Munster Technological University, Cork, Ireland. She worked in pre-clinical research for many years before transitioning her career to clinical research.

Irene holds a Certificate in Clinical Trials Design and Management from UC Santa Cruz Extension. She started her career in clinical research at the Stanford Cancer Center, Clinical Trials Office before joining Dr. Tang's Team in 2011.

Outside of work Irene enjoys visual and performing arts, Pilates and yoga.
