

Astrid Nicole Zamora

Postdoctoral Scholar, Epidemiology

Bio

BIO

Dr. Zamora's work examines how social and environmental contexts shape the three pillars of health, diet, sleep, and physical activity, and influence chronic disease risk. Her research integrates epidemiologic methods with community-based participatory approaches to translate findings into evidence-based public health strategies. Her goal is to advance chronic disease prevention and promote heart-healthy aging among Latino/a communities and underserved populations.

INSTITUTE AFFILIATIONS

- Member, Maternal & Child Health Research Institute (MCHRI)

HONORS AND AWARDS

- Stanford Justice, Equity, Diversity, and Inclusion Champion Award, Stanford University Office of Postdoctoral Affairs (2024-2025)
- Propel Postdoctoral Scholar, Stanford University School of Medicine (2024-2026)
- Scholar, NIDDK COURAGE Program (Massachusetts General Hospital/Harvard Medical School) (2024-2026)
- Diversity Scholar, Nutrition Obesity Research Center at Harvard (NORCH) (2024-2025)
- Best of AHA Specialty Conferences, EPI|Lifestyle Scientific Sessions 2024 (March 2024)
- NIH Research Supplement to Promote Diversity in Health-Related Research, National Institute of Environmental Health Sciences (2020-2022)

BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Member, American Society for Nutrition (2018 - present)
- Member, Society for Epidemiologic Research (2020 - present)
- Member, Society for the Advancement of Chicanos/Hispanics and Native Americans in Science (2021 - present)
- Member, The Obesity Society (2023 - present)
- Member, Society of Behavioral Medicine (2023 - present)
- Member, American Heart Association (2023 - present)
- Postdoctoral Fellow Representative, American Society for Nutrition, Nutritional Epidemiology Research Section (2024 - present)
- Co-Chair, Stanford Latinx Postdoc Association (2025 - present)

STANFORD ADVISORS

- Abby King, Postdoctoral Faculty Sponsor
