Bio

BIO

Dr. Weng was the Section Chief of General Primary Care from 2020-2023. Dr..Weng has served in roles as Medical Director, and leader of care programs as well as improvement projects. She enjoys leading doctors and strives to inspire those around her to practice patient-centered care as well as physician self-care. She is a leader in organizational change and physician management. As a leader in primary care re-design, she is passionate about balancing the needs of the patient, provider and health care institution. She is an advocate of Mindfulness Self-compassion. Dr Weng is currently semi-retired. She works in the Express Care Clinic as a provider and does individual life and executive coaching.

Kirsti Weng Elder has over 35 years of experience caring for patients in primary care, urgent care and in the hospital. She is a teacher of students and residents. She practices with an emphasis on musculoskeletal care as she feels fitness is a foundation for wellness.

Kirsti supports community health and care for the underserved. Outside of work she enjoys biking, reading and spending time with her 8 children. She is on the board of the Valley Health Foundation.
