Vasyi Rakivnenko

AI Technical Lead, IT & Legal Design Lab, Information Systems

Bio

BIO

Vasyi Rakivnenko is the AI Technical Lead at Stanford Law School's Legal Design Lab, where he develops and applies AI systems to expand access to justice. A technology entrepreneur and applied AI researcher, he has led AI initiatives across startups, venture firms, and public companies.

He collaborates with Stanford faculty on research at the intersection of AI, economics, and decision-making, and has presented his work at Stanford GSB, UNLV, and more.

Vasyi holds a Bachelor's in Business Administration from the University of Mondragon, an MBA from Kozminski University, and is a graduate of the Stanford Executive Program.
