

## Ixel Hernandez-Castro

Postdoctoral Scholar, Epidemiology

### Bio

---

#### BIO

Environmental epidemiologist focused on understanding how cumulative environmental exposures during pregnancy and early life shape maternal and child health across the life course. My work integrates epidemiologic methods and molecular biomarkers to uncover shared biological pathways linking chemical and social exposures to cardiometabolic and neurodevelopmental outcomes, with the goal of informing early prevention strategies and supporting health.

#### INSTITUTE AFFILIATIONS

- Member, Maternal & Child Health Research Institute (MCHRI)

#### HONORS AND AWARDS

- Propel Postdoctoral Scholar, Stanford University School of Medicine (August 2023)
- Career MODE, Columbia University (August 2025)
- Gates Millenium Scholar, Bill and Melinda Gates Foundation (May 2014-May 2023)
- PRISM, Stanford University (May 2023)
- Randall Lewis Health Policy Fellowship, Randall Lewis (August 2018-May 2019)
- Travel Award to Promote Equity, Diversity, Inclusion, SPER (March 2021)

#### BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Member, Society of Epidemiologic Research (2023 - present)
- Member, International Society of Exposure Science (2023 - present)
- Member, Society for Pediatric and Perinatal Epidemiologic Research (2021 - present)
- Member, International Society of Environmental Epidemiology (2021 - present)

#### STANFORD ADVISORS

- Andres Cardenas, Postdoctoral Faculty Sponsor
