Bio

BIO

Dr. Hung is a fellowship-trained ophthalmologist, practicing at the Byers Eye Institute, and also a clinical instructor in the Department of Ophthalmology at Stanford University School of Medicine.

Dr. Hung specializes in diagnosing and treating ocular inflammatory diseases, such as uveitis, iridocyclitis, and scleritis, as well as retinal vascular diseases, including age-related macular degeneration and diabetic retinopathy.

Dr. Hung's research interests include ocular inflammation, infections, hereditary ocular inflammatory diseases, and novel approaches in managing ocular inflammatory diseases. His research has advanced screening, diagnostics, and treatment for patients with uveitis, lens disorders, retinal diseases, glaucoma, and rare ocular conditions. Dr. Hung's most recent research explores the use of artificial intelligence (AI) to improve the identification of ocular inflammatory diseases.

Dr. Hung has published his work in major national and international peer-reviewed journals, including American Journal of Ophthalmology, British Journal of Ophthalmology, RETINA, Clinical & Experimental Ophthalmology, and Survey of Ophthalmology. He has presented at national and international conferences on the use of technology in uveitis management.

Dr. Hung is a member of many professional organizations, including the American Society of Retina Specialists, the International Ocular Inflammation Society, the Foster Ocular Immunology Society, and the European Society of Retina Specialists.

CLINICAL FOCUS

- Ophthalmology

ACADEMIC APPOINTMENTS

- Clinical Instructor, Ophthalmology

HONORS AND AWARDS

- Young Investigator Research Award in Clinical Medicine, National Cheng Kung University
- Second Prize, Research Competition, National Cheng Kung University Hospital
- International Young Investigator Award, Japanese Ophthalmological Society
- Golden Award and Best Hardware in Glaucoma Treatment, iGEM (International Genetically Engineered Machine) Competition
- Bronze Prize, Paper Competition, Ophthalmological Society of Taiwan's Annual Meeting

BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Member, American Society of Retina Specialists (2025 - present)
- Member, Foster Ocular Immunology Society (2025 - present)
- Member, European Society of Retina Specialists (2024 - present)
- Member, Global Eye Genetics Consortium (2024 - present)
- Member, Association for Research in Vision and Ophthalmology (ARVO) (2023 - present)
- Founding Member, Taiwan Ocular Inflammation Society (2020 - present)
- Member, Taiwan Retina Society (2019 - present)
- Member, International Ocular Inflammation Society (2019 - present)
- Member, Ophthalmological Society of Taiwan (2016 - present)

PROFESSIONAL EDUCATION

- Board Certification: Ophthalmology, The Ophthalmological Society of Taiwan (2011)
- Fellowship: Kaohsiung Veterans General Hospital (2019) Taiwan
- Fellowship: National Taiwan Univ Hosp (2018) Taiwan
- Fellowship: Kaohsiung Med College (2017) Taiwan
- Fellowship: National Cheng Kung University Hospital (2015) Taiwan
- Residency: National Cheng Kung University Hospital (2015) Taiwan
- Internship: National Cheng Kung University Hospital (2009) Taiwan
- Medical Education: National Cheng Kung Univ School of Medicine (2009) Taiwan
