## Albert Hughes

Product Owner, H&S Dean's Office

### Bio

---

#### CURRENT ROLE AT STANFORD

I am a member of the H&S IT Web Services team, which advises, builds and supports the web presence of H&S units.

As Product Owner, I support all 100+ units on the H&S Drupal content management platform. My responsibilities include managing ongoing software development efforts, as well as overseeing the longer-term roadmap of the platform.

#### EDUCATION AND CERTIFICATIONS

- Bachelor of Business Admin., Prairie View A&M University , Management (2005)
- Master of Science, University of Texas at Austin , Technology Commercialization (2015)
